

TOP SECRET*Office Memorandum* • UNITED STATES GOVERNMENT

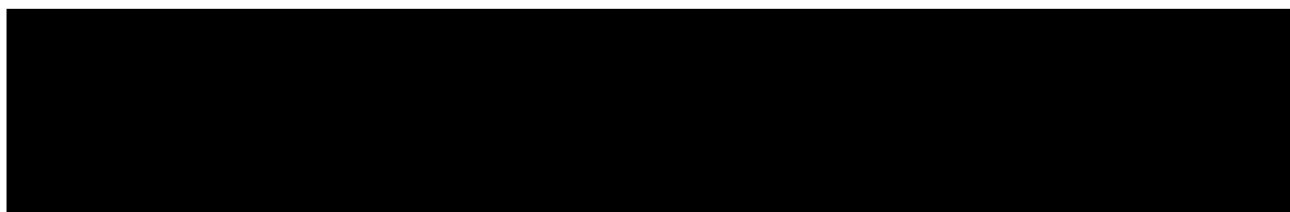

TO : The Director
FROM : Chief, ICAPS
SUBJECT: ICAPS Agenda

DATE: 11 February 1947

Law

The following are the outstanding subjects on ICAPS agenda at the present time:

1. NIR - China was approved by G-2 and is being issued without the implementing directive. A directive will be prepared to OCD providing for its implementation.
2. Invitations are immediately going out for the development of NIR for the USSR and the Middle East.
3. Plan for the coordination of the production of intelligence has been returned to the ad hoc committee of the IAB with a voting slip. If 25x accepted by them it will be submitted to the IAB.

6. An internal plan for the production of CIG intelligence is being drafted with the cooperation of ORE.
7. Final draft on the coordinated exploitation of enemy document repositories is being submitted to the IAB.
8. JIC has requested CIG collaboration in the ANCOL dictionary of intelligence terminology.
9. A progress report for use by the Director at the NIA meeting on 12 February is in preparation.
10. Coordinated plan for intelligence on guided missiles is being developed with agency assistance.
11. Foreign Industrial Establishments paper has been forwarded to all agencies with invitation to select a meeting date.
12. G-2 concurrence to CIG screening of Hoover Library acquisitions at Palo Alto is being sought.
13. Plan for ICAPS inspection of CIG offices is being prepared for implementation during February.
